# Why daily posting fails

- A new setup every day
- A new decision about what to say
- A new chance to skip it

Most people quit within two weeks.

# Batch it instead

One 45-minute recording session a week.

That's the whole commitment.

# Minutes 0 to 10

Answer the questions clients asked you this week.

Each answer is a video.

# Then the editing turns it into content

- The strongest moments get cut out
- Each one gets its own hook
- Captions, pacing, sound
- Scheduled across the week

# You show up once.

Your audience sees you every day.

I do this for coaches. Send me a DM if you want it done for you.
